

Science Academies' Lecture Workshop

on

“Recent Developments on the Theoretical and Experimental Aspects of Advanced Materials”

Sponsored by

INDIAN ACADEMY OF SCIENCES

(BANGALORE)

INDIAN NATIONAL SCIENCE ACADEMY

(NEW DELHI)

THE NATIONAL ACADEMY OF SCIENCES,

INDIA (ALLAHABAD)

(September 18-19, 2015)

Organized by

Department of Chemistry

University of North Bengal

Darjeeling – 734 013

West Bengal

www.nbu.ac.in

Organizing Committee

Patron : Prof. Dr. Somnath Ghosh
Hon'ble Vice-Chancellor
University of North Bengal

Convener: Prof. Dr. Swapan Kumar Ghosh
Theoretical Chemistry Section
Bhabha Atomic Research Centre
Mumbai

Program Coordinator
Dr. Amiya Kumar Panda
Department of Chemistry,
University of North Bengal

Members: Prof. P. S. Roy, Prof. S. K. Saha, Prof. B. Basu, Prof. M. N. Roy, Dr. P. Bandyopadhyay, Dr. A. K. Nanda, Dr. P. Ghosh, Dr. A. Misra, Dr. A. Majumder, Dr. B. Sinha, Dr. S. Das

Speakers

Prof. Swapan K. Ghosh
BARC, Mumbai

Prof. R. N. Mukherjee
IISER, Kolkata

Prof. Uday Maitra
Indian Institute of Science, Bangalore

Prof. Anunay Samanta
University of Hyderabad, Hyderabad

Invitation

The organizing committee of the conference takes the privilege to cordially invite you to participate in the workshop. The workshop will provide an open forum to exchange the ideas among the participants for fostering advancement of chemistry.

The Workshop

Joint Science Education Panel of the Academy, a body under the umbrella of Indian Academy of Sciences (Bangalore), Indian National Science Academy (New Delhi) and the National Academy of Sciences, India (Allahabad) endeavor towards an opportunity especially for the undergraduate, postgraduate and Ph. D. students, along with young teachers, to come together and interact with renowned scientists from all over the country who would articulate on the most recent trends in science and technology. As a part of it, the Department of Chemistry, University of North Bengal, has been entrusted to organize a workshop entitled “Science Academies’ Lecture Workshop on Recent Developments on the Theoretical and Experimental Aspects of Advanced Materials” during September 18-19, 2015.

Registration

There will be no registration fee, as the program is sponsored by Joint Science Education Panel of the Academy. However, to ensure the participation, prior registration is necessary.

The Host

University of North Bengal (NBU) is the only place for higher education and research in this part of the country. The University is celebrating its Golden Jubilee this year. The Department of Chemistry is the largest among all the Departments in the University. The alumni of this Department are well placed in various academic and research positions of acclaimed institutes and organizations in the country and abroad. The Department is supported by UGC and DST through SAP and FIST programmes.

How to reach

The University is located at the outskirts of Silliguri, the gateway to the North East. The nearest railway station is New Jalpaiguri. Bagdora airport is 4 km away from the University. Central bus terminus at Silliguri supports the arrival and departure of many buses with the neighboring states/Kolkata.

Accommodation

Accommodation charges will have to be borne by the participants. However, if contacted, the organizers may arrange for accommodation in the University Guest House and/or local budget hotels with prior information.
