Invitation

The organizing committee is privileged to cordially invite you to participate in the conference.

About the Conference

The Department of Physics, University of North Bengal is going to organize a one-day national conference on “**Contemporary Issues in Physics Research**” on **27th March, 2020**. The conference aims at the understanding of the emergent exotic phenomena occurring in the different areas of physics ranging from condensed matter physics to high energy physics. This event will provide a platform for scientific interactions between the active researchers in different branches of Physics. There will be few talks and a poster session in this conference.

Registration

Only spot registration
Faculty: Rs. 500/-
Research Scholar: Rs. 200/-

About the Host

University of North Bengal (NBU) was established in 1962 aiming to provide teaching, training, and research in various courses for the fulfillment of the growing needs of the society. Department of physics started its journey with the establishment of the University. Currently, there are ten faculty members in this department. They involve in doing research in different branches of physics namely Astrophysics, Cosmology, High energy heavy ion collision, Experimental condensed matter physics, liquid crystals, device technology, theoretical physics etc. The alumni of this department are well placed in various academic/research institutions in the country and abroad.

How to reach

The University is located at the outskirts of Siliguri Town. The nearest railway station is New Jalpaiguri which is about 11-12 km away from our university. Bagdogra airport is 4 km away. In addition there are frequent and vibrant bus services from Tenzing Norgay Central Bus terminus, Siliguri to the neighboring districts/Kolkata.

Accommodation

Outstation participants will have to manage the accommodation by their own. However, if contacted, the organizers may arrange for accommodation in the University Guest House/local hotels with prior information.
