10.02.2020

Applications are invited for recruitment of a Junior Research Fellow (JRF) in a SERB sponsored project entitled "Influences of Dark Sector on local dynamics and kinematics"(File number CRG/2019/004944). Interested candidates should send their application with a complete CV (having personal details, academic qualifications,) by email to Dr. A. Bhadra ([aru\\_bhadra@yahoo.com](mailto:aru_bhadra@yahoo.com)) with subject line "JRF application for SERB Project" latest by 18<sup>th</sup> February, 2020.

Number of post: One

Designation: Junior Research Fellow (JRF)

Essential qualification: M.Sc. in Physics with at least 55% marks (or equivalent grade) and a valid (CSIR-UGC NET/GATE certificate. The age limit is as per the SERB guideline, if any.

Fellowship: As per the SERB guideline.

Tenure of the fellowship: The nature of the post is purely temporary (on contract basis). The initial appointment will be for a period of one year, which is extendable up to the duration of the project (up to maximum two years and ten months) subject to the performance of the candidate. Further note that the position may terminate any time if the research outcome by the selected fellow is found not satisfactory.
