Celebration of National Science Day - 2024

The Institution's Innovation Council, University of North Bengal is going to celebrate the National Science Day (NSD) on 28th February 2024 at University campus. The NSD is celebrated every year on 28th February to remember the discovery of the historical Raman Effect in connection with the Scattering of Light. The NSD is usually marked to raise the awareness about the useful applications of science and technology which helps humanity broadly. The theme of the NSD for 2024 is – “*Indigenous Technologies for Viksit Bharat*”. *Soft copy posters* are invited from the Research Scholars/Students of our University on the theme of NSD. Maximum of three participants are allowed in a group for a single poster. Participants are asked to submit the *soft copy posters* to the Head of the respective Department within 20th February 2024. And after initial screening at department level, finally two best posters will be recommended by the Head of the respective Department and send to Dr. Tutul Biswas (tbiswas@nbu.ac.in), Department of Physics, NBU by 25th February 2024. All the participants will get certificates, and attracting prizes will be given to the top three posters. For any query please contact Dr. Mukta Majumder (8101470690) or Dr. Tutul Biswas (84363 61785).

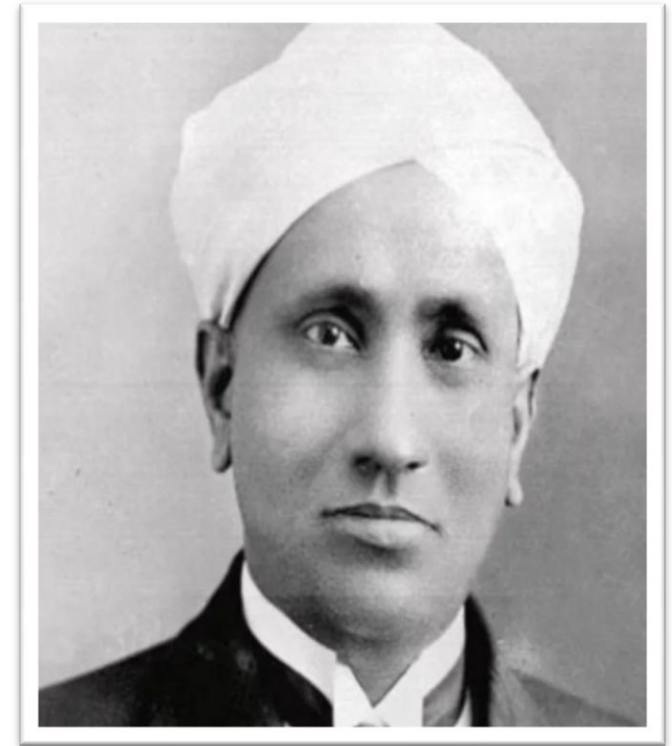

Guideline for poster submission:

Theme of poster: Indigenous Technologies for Viksit Bharat.

Maximum of three participants are allowed in a group for a single poster.

Students/Research Scholars are asked to submit *soft copy posters* to HOD of respective Dept. by 20-02-2024.

Initial screening will be done at department level, and finally two best posters will be recommended by the Head of the Department and send to Dr. Tutul Biswas (tbiswas@nbu.ac.in), Department of Physics, NBU by 25-02-2024.

Celebration of National Science Day - 2024
