Applications are invited for the recruitment of Junior Research Fellow in an ANRF-sponsored research project (ANRF/IRG/2024/000343/CS) in the Department of Chemistry. For details, visit www.nbu.ac.in

Advt. No. 01/R-2025 Dated 03.04.2025

Registrar (Addl. Charge)

For University Website

Advertisement for Junior Research Fellow under ANRF-sponsored project (ANRF/IRG/2024/000343/CS) at the Department of Chemistry, University of North Bengal, Darjeeling

Applications are invited from highly motivated, sincere, hard-working and eligible candidates for a position of Junior Research Fellow to work in ANRF-sponsored research project (ANRF/IRG/2024/000343/CS), Govt. of India entitled “*Development of layered transition metal (oxy)hydroxide electrocatalysts through electrochemical reconstitution of metal-organic frameworks for advanced water splitting*”.

Principle Investigator: Dr. Bhaskar Biswas, Professor, Department of Chemistry, University of North Bengal, Darjeeling, PIN-734013

Name of the Position: Junior Research Fellow

No. of Position: One(01)

Fellowship: (Rs. 37,000/- + HRA as per ANRF rules)/p.m.

Essential Qualification: M.Sc. in Chemistry with at least 55% marks

Preferable Qualification: NET/GATE; Previous working experience on material design and electrocatalysis

Age Limit: Below 28 years (age relaxation for SC/ST/OBC and women candidates as per Govt. of India/ANRF's instructions).

Tenure: The position is not permanent and coterminous with the project. Position will continue subject to the availability of the funds released by the funding agency.

Application Procedure: Interested and qualified candidates may send the application along with Cover Letter, CV, Self-attested copy of Marksheets (Class X to M.Sc), certificates and other testimonials in a **single PDF** file to **Dr. Bhaskar Biswas**, Professor, Department of Chemistry, University of North Bengal (Mob. 7003372248) via E-mail (bhaskarbiswas@nbu.ac.in or icbbiswas@gmail.com) within 7 days from the date of publication of this advertisement. The subject of the relevant email should contain ‘**Application for Junior Research Fellow under ANRF-sponsored Project**’. Applicants must provide their mobile number and email in the CV. The date of the interview will be informed through email to the shortlisted candidates.

General Terms and Conditions: The position may be terminated at any time if the research outcome of the candidate is not satisfactory. Original documents should be produced during the interview. No TA/DA will be provided to attend the interview.

For University Website

The candidate selected for the position of project fellow would have a choice to register for the Ph.D. program in the future at the Department of Chemistry, NBU. However, the candidate must meet certain eligibility criteria and must qualify the screening test.
