Directors/VCs of HEIs  
(As per list attached)  
PMMMNMTT centres

**Subject: Appropriate utilisation of Resources / Building / Infrastructure created under PMMMNMTT Scheme – reg.**

Sir/Madam,

With reference to the subject mentioned above, I am directed to state that the Central Sector Scheme viz. Pandit Madan Mohan Malaviya National Mission on Teacher Training (PMMMNMTT) was implemented during 2014-2021 and about 95 PMMMNMTT centres were set up under the scheme including one in your Institution. Under the scheme, grants were provided specifically for training programs and developing infrastructure to support capacity building of faculty.

2. Under different components of the scheme, a number of buildings / infrastructures were got constructed in various institutions, using the funds from the scheme. However, during various review meetings, it has been observed that some institutions are not using these buildings / infrastructures for the intended purpose of faculty training. Instead, they are being repurposed for student classes, hostels, and other activities, which is against the objectives of the scheme.

3. To maintain the integrity of the program and ensure compliance, it is therefore requested that the building and other infrastructure constructed under the Scheme, be optimally utilised for the capacity building programs / training of faculty.

Yours sincerely,
